Step 1 *Super-Size Your Vocabulary*

Lesson 1: 14 minute video which discusses nine test-taking strategies to guess at the meaning of unfamiliar words on TOEFL iBT reading passages.

Lesson 2: 82 minute video applying vocabulary-in-context guessing strategies to academic reading passages + free bonus material: an extensive list of prefixes, roots, and suffixes with meanings and example words.

Lesson 3: 20 Chapter and 150 page E-book complete with 200 TOEFL words, 1,600 synonyms, matching exercises, sentence completion, reading exercises, and listening comprehension practice--more than 1,120 exercises to help you learn the words you study in this lesson.

Lesson 4: You get three lists of the words you downloaded organized from A-Z, and you get audio files pronouncing every word. To make sure you master the words, you will take 15 vocabulary practice tests containing more than 1,400 questions to test your mastery of the definitions, synonyms, antonyms, and parts of speech of the words you study.

Step 2 *Target and Improve Your Pronunciation Weaknesses*

Lesson 1: Two videos, totaling 17 minutes of instruction, teaching you how to reduce your non-native speaker accent with word stress shifts.

Lesson 2: A 45 minute interactive video designed to improve your sentence rhythm with words, phrases, sentences, and longer utterances.

Lesson 3: Speak Clearly, The Speaking, Intelligibility, and Pronunciation Subscription Service for Non-Native Speakers of American English, you will get access to:

- An intelligibility pre-test for vowel and consonant sounds of American English, with diagnostic feedback by Michael
- An intelligibility pre-test for grammatical word endings, syllable division, word stress, sentence rhythm, intonation, thought groups, and blending--with diagnostic feedback by Michael
- An intelligibility post-test covering all instructional aspects of the course, with diagnostic feedback by Michael
- 50 interactive speaking, accent reduction, and pronunciation videos
- "See" and "hear" a native American speaker pronounce all the vowel and consonant sounds of American English
- A certificate of completion and letter of recommendation given to those who reach near-native fluency in speaking and pronunciation of American English

Upon completion of this service, you will benefit by having:

- Improved pronunciation of your vowel and consonant sound troublespots
- Accurate syllable division, particularly with grammatical word endings
- Fewer word stress shifts, especially with multi-syllabic academic words
- More natural sounding intonation patterns of conversational English
- Faster, more natural spoken English
- Fewer pauses, better blending with words within thought groups

Step 3 *E*valuate Your Grammar Competencies

Lesson 1: An interactive 14 minute video which provides an in-depth knowledge of basic and advanced grammar sentence structures, better equipping you to tackle the rigorous TOEFL iBT speaking and writing sections.

Lesson 2: A 20 minute video teaching you four techniques to help you be more concise during TOEFL iBT speaking and writing tasks + free bonus video of a student who scored 106/120 on the TOEFL iBT! For 40 minutes, Maika explains what you should be doing now to prepare for the test, and she explains successful test-taking strategies that you can use when you take the official TOEFL iBT.

Step 4 **A**nalyze Your Listening Strengths and Weaknesses

Lesson 1: Through an interactive 14 minute video, you will learn how you can take faster and more accurate notes when listening to TOEFL iBT listening passages, which common abbreviations and symbols to use as you take notes, and how speakers use intonation and key words to emphasize the most important ideas in a lecture or conversation.

Lesson 2: In more than 53 minutes of video instruction, you learn the characteristics of natural speech and why they are important to TOEFL iBT listening, speaking, and writing + a free E-book containing five listening practice tests.

Step 5 **L**earn Effective Reading Strategies
